Sunday, October 21, 2007

1:00-3:00 pm

Hounds on the Hill  
Doggie Daycare

960 Lincoln Street  
Denver, CO 80203

A portion of the proceeds will benefit the Misha May Foundation, a non-profit dog rescue

Dogs have muscles too! Massage is no longer just for humans—dogs can benefit just as much as humans. Come learn how to help your dog feel better with massage and acupressure.

Class topics will include:

-  Benefits of massage for dogs
-  How to do a simple relaxing massage for your dog
-  Acupressure points that provide specific benefits
-  How massage helps improve the wellness dogs

Come bond with your dog and help your dog feel better with massage!

Bring your dog to class along with a blanket or pad large enough for you to sit and your dog to lie down. Only dogs who are fairly calm and quiet around other dogs should be brought to class.
